**2**

Select the **Class Homepage** icon to be taken to all of the units for that class.

1

Click the **class** you want on the left side of the page.

**3**

Click the **Unit** you want to access.

A pop-up window with a menu of options will appear.

You will see the **Teacher Unit Page** followed by all of the **Lessons** in that unit.

4

Select the **Teacher Unit Page** to be taken to all of the unit-based resources.

5

Select a **Lesson Page** to be taken to all of the resources for a particular lesson.

Teacher Unit Page

You will know you are on the **Teacher Unit Page** because the Unit Title is visible at the top left and the first icon is titled "Unit Overview."

These are the unit-based resources that cover the whole unit, such as the Target Tracker, Unit Review and Assessments.

Clicking any of these buttons opens the particular resource in a new window.

Unit 1 Ratios and Rates

- Unit Overview
- Common Misconceptions
- Target Tracker
- Unit Vocabulary
- Unit Review
- Assessments
- Tiered Assessments
- Assessment Keys
- Performance Tasks
- Tic Tac Toe
- Rich Tasks
- Parent Guide

Lesson Page

You will know you are on a **Lesson Page** because the Lesson Name and Target is visible along the top of the page.

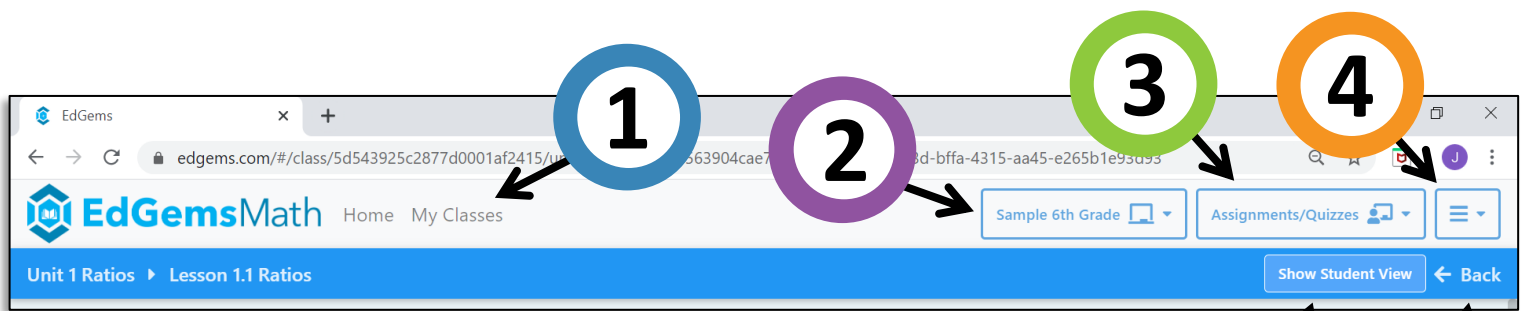

These are the resources that are specific to the particular lesson, such as the Student Lesson, Explore! and print-ready Teacher Gems.

Clicking any of these buttons opens the particular resource in a new window.

I can simplify and write ratios in three ways.

Lesson 1.1 Ratios

- Teacher Guide
- Student Lesson
- Explore!
- Teacher Gems
- Student Gems
- Online Practice & Gem Challenges
- Online Class Results
- Exit Card
- Proficient Practice
- Tiered Practice
- Challenge Practice
- Answer Keys

1 "Home" & "My Classes"

These buttons both return you to the main landing page where all of your classes and students are listed.

5

6

2 "Classes" Drop-Down Menu

Select this drop-down menu to toggle between classes without returning to the main landing page.

3 "Assignments & Quizzes"

This button reveals a drop-down menu with the options to Manage Assignments or Create a Custom Quiz.

4 Login & Site Navigation

This button reveals a drop-down menu with the options to learn more about EdGems Math, get website help, view the Multi-Lingual Glossary or Sign Out.

5 "Student View"

This button lets you view the website as if you are logged in with a student account.

6 "Back" Navigation

To go back, select "Back" or click the back button on your web browser window.
